

Kingsclere Heritage Association

The Village Club • George Street • Kingsclere • Hampshire

Membership - 57 Garrett Close, Kingsclere, Hampshire, RG20 5SD

Our purpose is to research and record the history of the community of Kingsclere which lies outside the official archives and to interpret this for the benefit of the community by combining official and new records in publications and displays which will enable the people of Kingsclere to become aware of the rich heritage of the community from the Bronze and Iron Ages through Roman, Saxon and Norman times to the present day.

We aim to:

- record material which is currently in private hands, either obtaining custody of originals or, where this is not possible, obtaining copies.
- add to existing sound archives by recording the memories of past and present residents.
- work closely with Hampshire Record Office and other archives to create a record of source materials and, where possible, to obtain copies of archival records to make them available to the community.
- use facilities of the Hampshire Record Office for the safe storage of important original material found during our researches
- publish our research whenever possible
- hold exhibitions from time to time
- provide a forum in which local history research can continue in the future
- invite speakers on associated topics to talk to members

Help us to achieve these aims by joining the Kingsclere Heritage Association. The annual subscription is £10 per person. Members benefit from arranged visits to museums and historic sites occasionally outside normal hours for a nominal charge and also from talks by visiting experts on various aspects of British history and heritage. Our meetings are held in the Village Club for which there is a charge of £1 to cover costs, non-members £2.

Please enrol me as a member of the Kingsclere Heritage Association for the year commencing **1st October 2009** for which I enclose £10.00
